

Waking up on an empty planet  
This used to be our living room  
Celebrating every night – when it  
Was *Hail Mary* for bride and groom

Jumping fences in our first apartment  
Breaking the oaths that the night has born  
Receiving orders from the bartender  
Cause our tongues are worn and torn

Calliope – Don't leave me alone  
Calliope – I'll make you my own  
Calliope – You taught me to sing  
Calliope – I'll give you my ring

Think of pastures that just could not be greener  
Remember fields where the wild rose rose  
I knew she was there and I just hadn't seen her  
We'll dwell in a world where anything goes

Calliope – Don't leave me alone  
Calliope – I'll make you my own  
Calliope – You taught me to sing  
Calliope – I'll give you my ring

I wonder, woman  
I wonder, girl  
I wonder  
I Wonder

I wonder, woman  
I wonder, girl  
I wonder  
Wonder  
I Wonder

# Calliope

Artano  
Soiree

---

My fingertip taps all of her strings  
Her tender touch keeps spreading my wings  
The two of us are one of a kind  
So soft a voice, so hard to find

Calliope – Don't leave me alone  
Calliope – I'll make you my own  
Calliope – You taught me to sing  
Calliope – I'll give you my ring

Calliope – Don't leave me alone  
Calliope – I'll make you my own  
Calliope – You taught me to sing  
Calliope – I'll give you my ring  
I'll give you my ring
